

IEEE/ASME AIM 2025 Sponsorship

As the flagship conference focusing on mechatronics and intelligent systems, the IEEE/ASME International Conference on Advanced Intelligent Mechatronics (AIM) brings together an international community of experts to discuss the state-of-the-art, new research results, perspectives of future developments, and innovative applications relevant to mechatronics, robotics, automation, industrial electronics, and related areas. The AIM is co-sponsored by IEEE Robotics and Automation Society (RAS), IEEE Industrial Electronics Society (IES), and ASME Dynamic Systems and Control Division (DSCD). IEEE/ASME AIM 2025 will be held in Hangzhou, Zhejiang, China, on July 14-18, 2025.

IEEE/ASME AIM 2025 offers sponsorship opportunities for interested corporations. Companies interested in sponsoring will receive the items listed below as a part of their sponsorship package. IEEE/ASME AIM 2025 offers exhibit spaces and welcomes companies, universities, publishers, and researchers to participate in the conference exhibition. With anticipated more than 350 conference attendees from universities, industries, and government agencies worldwide, IEEE/ASME AIM 2025 provides a great opportunity to advertise mechatronics related products, sell books, and increase the visibility of your organization. If you are interested in being a sponsor or need more information, please contact the General Chair or Industrial Committee Chair.
